description

- Made from lichen, a naturally vegan source of D3
- Each serving provides 1000 I.U. of vitamin D3
- Supports calcium absorption for healthy bones*
- Supports immune system function*
- Helps regulate mood and sleep rhythms*

Vitamin D3 Vegan is a unique formula specifically developed for vegans, strict vegetarians, or for those who prefer a non-lanolin form of vitamin D3. Sourced from organic lichen, this plant-based liquid formula is in the natural form of vitamin D (cholecalciferol) and is better absorbed and utilized by the body.* Each serving provides 1000 I.U. of vitamin D3 for healthy bones, mood, and immune system function.*

This product does not contain lanolin or fish oil.

suggested use

0.5 milliliter daily, with food, or as directed by your health care professional or pharmacist.
